

Patient Information

Directions for Pulmonary or Neurophysiology Test

Where do I park and enter the hospital?

The Neuro/Pulmonary Diagnostic Department is located on Level B, in the Saint Francis Heart Hospital building at 6151 S. Yale Ave. in Tulsa, OK.

- Follow the signs to Heart Hospital/Heart Center.
- Park in **P2** (Northwest Parking Garage).
- Enter through the SFH Heart Hospital Entrance. (Saint Francis Heart Hospital is on the northwest side of the main hospital campus and is labeled in white letters).
- Go left to the elevator and take it to Level B.
- *** If your appointment is with the Pulmonary Department, please check in at the A-Level Admitting Desk before taking the elevator to Level B.**
- Exit left off of the elevator and go through the snack bar area.
- Neuro/Pulmonary Diagnostics is the first door on the left, down the carpeted hallway. There is a small sign on the ceiling, outside the office door. If you have any trouble finding the department, call 918-494-1418 and someone will direct you.
